

ESD Letter Trays

TYA4P3

Description

ESD Letter Trays are ideal for use in the office or an EPA to prevent the build-up of harmful static charges. Our ESD Letter Trays are designed for holding A4 size documents. The 3 Letter Trays are stack-able which allow you to organise your documents accordingly. The Letter Trays are produced with antistatic raw material, non-coating surface, to make it ESD permanent. Available in the colour black as standard. Conforms to BS EN-61430-5 for safe use in Electrostatic Protected Areas.

Ideal for keeping the desk and work space tidy. An essential item for all offices and EPAs.
