

Terminal Lug

TECHNICAL DATASHEET

TLUG

Description

A simple and effective grounding accessory. Terminal Lugs monitor/eliminate the build-up of static discharge that may pose a risk to static sensitive components or devices. They can be added to bonding plugs or snaps for a secure connection.

Properties	Typical Values
Hardware	All metal parts shall show no evidence of corrosion and rust after 24 hours submersion to salt solution. Preferably made from stainless steel or brass alloy plated with nickel.
Breakaway Force	1 to 5 lbs. of pull away force is required to disconnect the snap in a normal disconnect direction.
Colour	Silver metal.

Compliant according to IEC-61340-1-5 International Standard.

We offer a range of grounding accessories, including, bananagator heavy duty crocodile clip, adaptor snap and stack snap.
