

# General Purpose Static Awareness Paper Tape

PT50

## Description

NON-ESD, standard printed paper packaging tape with ESD warning information for ESDS (Electrostatic Sensitive Devices). Ideal for packaging items. The tape is recyclable and measures 50mm wide, 66 metres long with a diameter of 76mm. Text is available in English as standard, German text can be requested. Suitable for use with manual and automatic tape dispensers.

## Key Features

- English text as standard, German text can be requested
- 50mm wide, 66 metres long with a diameter of 76mm
- Features ESD susceptible logo
- Bright, yellow tape with black text
- Recyclable
- NON-ESD

## Storage information

For optimum shelf-life, store the tape in a cool, dry place away from sunlight and direct heat sources.

## Standards & Regulations Met:

RoHS compliant

CE approved

REACH compliant

Properties	Typical Values
Width	50mm
Length	66m
Thickness	0,1mm
Paper Weight	70 g/m <sup>2</sup>
Adhesive Weight	32 g/m <sup>2</sup>
Adhesive Material	Synthetic rubber
Adhesive to Steel	20 N / 25mm
Unwinding Force	1,5 N/cm
Tensile Strength	53 N/cm
Elongation at Break	7%
Core Diameter	76mm

# Eliminate Costly Static Damage...

Whether you are experiencing unacceptable levels of damage in transit, need a specific cleanroom solution or simply don't know which ESD safe equipment is best for you, we can help!
