

# Three Language ESD Awareness Tape

TLT

## Description

Three Language ESD Awareness Tape can be used for the packaging of items. The tape is fluorescent yellow in colour with black text / print. The word 'ATTENTION' is printed in three different languages (English, Italian and German). The tape is 50mm wide x 60m long in size. For optimum shelf-life, store the tape in a cool dry place away from sunlight and direct heat sources. Please note, this tape does not contain any anti-static properties (Non-ESD).
